Most orders ship out next day and are sent ether U.S. Priority Mail or UPS and should arrive within 2-5 days of shipment. If you provide an e-mail address you will be notified when your package ships and what carrier was used..

Shipping fees are based on the total cost your order prior to the addition of sales tax, see table below for rates. International shipping rates have been set artificially high to prevent undercharging. After we have determined the actual shipping cost international customers will receive a refund for the unused amount.
